

# Burlington Teen Tour Band Limited Edition Prints

---

## JOHN NEWBY,

Canadian Artist and former Trombonist with the Burlington Boys and Girls Band('56 & '57) has been commissioned by the BTTB Boosters Inc. with the full support of the BTTB Alumni Committee to commemorate the 60th Anniversary of the BURLINGTON TEEN TOUR BAND with an original painting 'MARCHING IN TIME'.

'Compared favourably with Norman Rockwell, this talented Canadian has been praised for his ability to create consistently, uncannily, a feeling of familiarity in the beholder - as though these warm and cozy images are a glimpse at our very own lives. When feelings of our own childhood experiences or thoughts of our beloved children are instantly, magically delivered, more than a mere glance is invited.'
